

CNJ CACHÉ TO EAGLE PROGRAM

Have an Eagle Project you would like to be featured in our council's "Cache to Eagle" series?

We are looking for at least a dozen Eagle projects that are in public places. These cannot be on school grounds or private property. We want to place a geocache near or on the project to showcase the good that scouts do for our communities. We are hoping for a couple in each district throughout council.

Please submit the following information to Jean Thayer, 17 Lackawanna Street, Hampton NJ 08827 or littlered101@embarqmail.com :

District: _____ Troop _____ Town _____

Project description:

Date completed _____ Is it being maintained? _____

Scout name _____ How many hours to complete? _____

Special notes?

Person submitting? _____ Would you want to be the cache owner? _____
