*Campmasters are needed for weekends in May at both camps. Check the Schedule on the website for those dates and look at your schedules to see if you might be able to fill one of those dates.*

When you have decided on a weekend, contact me *Please, do not contact the Council office to sign up for weekends.*

*The Campmaster Luncheon Cookout will be held at KMSR on Sat. May 22.*

*See the requirements necessary to attend on the website “Winter Quarterly.”*

*I will be reserving Winkler Lodge for those who might want to arrive on Friday, campout with your fellow Campmasters and just have a great time.*
