What is a Back-to-School Night?

- A Back-to-School Night is your opportunity to show off your Pack to prospective Parents/Guardians* and Boys.
- This will be a prime opportunity to sign-up new members and leaders for your Pack.
- It's a coordinated effort to get the message of Scouting out to members of the community.
- It should be fun for the boys and educational for the parents/guardians*
- *For the sake of room, from now on, please assume when we mention parents that we are also talking about guardians.

Purpose of a Back-to-School Night

The Purpose of a Back-to-School Night is many-fold:

- To Recruit New Youth into the Cub Scouting Program
- To Recruit New Adults into the Cub Scouting Program
- To Get the Message of Scouting out to Parents

The Focus of a Back-to-School Night

The Primary Focus of a Back-to-School Night is to recruit new youth and adults.

As you can see, this has been mentioned a few times now. Why is that?

A Back-to-School Night should not be an offshoot of another meeting or Pack meeting. It should be a coordinated effort with one goal in mind, and that is to get new youth and adults recruited - their forms completed properly and the registration fees collected.

Focus continued

Think about it. If you register for any other organization, you show up, fill out the forms, gather information for upcoming activities, turn in the forms and pay the registration fees.

It should be as simple as that.

When you are trying to do something else, such as run a Pack meeting, you can not focus on the new families who want to join in the fun. They deserve your attention. This is a big step for them and they are looking for your leadership and guidance.

Know Your Information

When getting ready to talk to prospective families and future leaders, know what it is that you are talking about.

Know the grade levels/Ranks that the boys will be working on:

1. Tigers – First Grade
2. Wolves – Second Grade
3. Bears – Third Grade
4. Webelos – Fourth and Fifth Grades

Know Your Information

- Know Den Leaders Names and Contact Information
- Know when Dens meet and where (except for new dens that need to be put together)

Recruitment Flyers

- Hand out flyers during In-School presentations, if possible.
- Coordinate with other Packs in your area that you share schools with and get the multiple unit information on the same flyer – schools would rather hand out one flyer, than multiple flyers.
