From the Chair

I would like to thank personally all those Campmasters who recently stepped up and filled empty weekends at both KMSR and YCSR. Thus far, 19 weekends are covered at KMSR, 11 more than last year, and nine weekends are covered at YCSR, seven more than last year. There is no doubt in my mind that more weekends will be covered in the near future at both camps. Once again thank you!

Yours in Scouting,

Ray Koperwhats
Campmaster Chair

Spring B-B-Q

There will be a B-B-Q for all those Campmasters who have signed up and fulfilled their commitments during this Scouting year, and for those who sign up for weekends during the 2010-11 Scouting year! Plan to show up prepared to commit to weekends. The date and place of the event will be announced later. **Check the website!**

Camping Policy Updates

The Campmaster Manual has undergone a much-needed revision. In the near future, it will appear on the Council Campmaster web page. Until then, follow the existing manual. The one major change is that **upon a request to the Chair, a Campmaster may be able to sign up to Campmaster with his/her family.**

With the demise of the Summer Camp program, Campmasters will be required to cover the summer months at KMSR and YCSR. A new Campmaster schedule will be appearing on the web site. Check your schedules to see if you can fill one or more of these weekends.

Fleece Campmaster Jackets

I shall be ordering fleece Campmaster jackets. **The cost will be \$38 for L and XL, and \$42 for 2XL and 3XL.** I would suggest ordering one size larger than you normally wear. The jackets are royal blue, matching our caps, and have the Campmaster Logo on the left breast. I have had one shipped to me prior to ordering others to make sure we would be getting a high quality jacket. I can assure you that it is of excellent quality, and I highly recommend it for those who wish to purchase one. Make your check payable to me, Ray Koperwhats, and send it to 12 Deerwood Ave, Edison, NJ, 08817. It will take approximately 14 days to be delivered after the order has been placed.

Open Weekends at Our Camps

When you look at the weekend schedules on the Council web site, you will notice that there are still open dates this spring and summer at both camps. Please, if at all possible, sign up for a(nother?) weekend to help fill the gaps.

If you have not signed up for a weekend this coming year you will be placed on an inactive status list. If you do not sign up the following year, you will placed on a reinstatement list. You will then have to sign up for two weekends in the upcoming year to be re-instated and enjoy the privileges of a Campmaster.
